HOW TO TRANSITION FROM A NON-IT BACKGROUND INTO CYBERSECURITY

Tolulope Michael

Getting into cybersecurity without an IT background is possible

Tolulope Michael

Here is how to:

- Start with self awareness
- Learn the fundamentals
- Get hands on
- Find a mentor
- Build your personal brand

Tolulope Michael

You don't need to start as a techie. You need curiosity, consistency and the right Guidance

Follow @Tolulope Michael for more insight on cybersecurity
