4 SECRETS RECURITERS WON'T TELL YOU

TOLULOPE MICHAEL || CYBERSECURITY EXPERT

Tolulope Michael

There are certain points recruiters look out for quickly or they overlook your CV

Tolulope Michael

Here's what recruiters are really looking at:

- Your resume gets scanned in seconds
- They care more about impact than tasks
- Your online presence is part of the screening
- Soft skills can seal the deal

Tolulope Michael

If a recruiter looked at your resume today, would they see tasks or impact?
